Vol. 1, No. 1-6

January-November, 1967

The Test Collection of Educational Testing Service contains an extensive collection of standardized tests as well as some experimental tests in education and psychology. It also includes publishers' catalogs and descriptive materials, information on scoring services and systems, test reviews, and reference volumes on testing. The tests are indexed by title, author, number (an accession number assigned when the test is indexed), and subject.

Qualified persons, both inside and outside of Educational Testing Service, may have access to the materials in the Test Collection. Publishers' restrictions regarding access to test materials are carefully observed.

The Test Collection is kept in locked files and the room in which they are located is locked unless a member of the Test Collection staff is present.

For further information about materials and services listed in this Bulletin, readers are requested to communicate directly with the appropriate publisher or organization. Addresses are listed on pages 55-60.

TEST SCORING SERVICES AND SYSTEMS

J-B 9 Corporation has developed a new scoring device for classroom
teachers, J-B 9 Insta-Grade. Insta-Grade provides the student
with a record of his correct answers.

New self-scoring answer forms, TRAINER-TESTER Response Cards and
Answer Sheets, are available from Van Valkenburgh, Nooger and
Neville, Inc. These forms may be used with any 3- or 4-choice
questions and are useful in both testing and self-instruction.

The Psychodynamics Research Testing Company offers scoring
services for IBM 805 answer sheets. They provide class record
lists, press-on-labels, profiles, statistical analysis, and
local norms.

DIGITEK Corporation no longer exists. The DIGITEK systems and
forms are now handled by Optical Scanning Corporation (P. O. Box
40, Route 332 East, Newton, Pennsylvania 18940; telephone: 215-
968-4611). They offer no scoring services.

HRB-Singer, Inc. has discontinued STAR Score Teach Answer Record and other activities related to programmed instruction and learning.

OUT OF BUSINESS:

Electronics for Education, Inc., 10582 Metropolitan Avenue, Kensington, Maryland 20795.

NEW SCORING SERVICE:

Delta Data Corporation, P. O. Box 127, Pinole, California 94564.
